ROCK CHIP REPAIR ★ RINGGOLD, GA

DON'T LET A CHIP BECOME A CRACK

One pothole. One cold morning. That tiny star spreads fast — and a **quick repair** turns into a **full windshield replacement**.

FIX IT EARLY

REPAIR NOW, NOT REPLACE LATER

- **Stops the spread** before it crosses your view
- **A fraction of the cost** of a replacement
- **Restores strength** & clear visibility
- **Veteran owned** — done right the first time
